Butterfield

BUTTERFIELD MOBILE BANKING APP

We're working hard to get new and improved versions of Butterfield Online and the Butterfield Mobile Banking app ready for launch soon! To make sure everything is set to run perfectly when we introduce these new tools to our valued customers, we're currently pilot testing the new services with a restricted group of users.

Corresponding to the pilot test, a new version of our Mobile Banking app has been loaded in the Apple App and Google Play stores. However, the new app will not function for users outside of the pilot test group, so please do not download the new Butterfield Mobile Banking app until further notice. You will be advised directly when your accounts are available for access on the new Butterfield Online and Butterfield Mobile Banking app; until then, the current versions of Butterfield Online and the Butterfield Mobile Banking app you previously downloaded to your device(s) will continue to work as normal.

Thanks for your patience as we work to improve your online banking experience. If you have any questions, please don't hesitate to contact us on 295 1111.
